## Christmas Cards

Our school post box will be ready for Christmas post on Monday 4<sup>th</sup> December. Please send cards into school making sure they are clearly labelled with the child's first name, surname and class. Class lists will be sent home next week. Mrs Pickett will also be choosing some children to be Christmas postmen, delivering the post to classrooms each day.

## Plas Gwynant Residential

Last week, most of Year 6 went on a residential trip to Plas Gwynant, which is in Snowdonia (North West Wales). There they learnt how to make a raft out of canoes, and then how to steer canoes on a lake as a team. Also, they learnt how to abseil and all managed it despite the challenging conditions. In addition, they worked as a team to help each other climb up a gorge with fast flowing water which was also freezing cold, as most found out when they had to make their way through a deeper part! And, if that wasn't enough, they also trekked up Sygun Hill, taking in the spectacular views when they reached the top and passing the famous copper mine on the way down. The thing that made all the staff proud was that the children did all these demanding activities in such unpleasant weather with such enthusiasm. Their effort, positivity and teamwork are a credit to them and their families! We all hope they gained a lot from the trip to Plas Gwynant, but also appreciate how lucky they were to go.
